PRN Medical Assistant/Healthcare Tech

Silver City · Silver City, New Mexico

Seeking PRN Occupational Medical Assistant/Healthcare Tech for Silver City Clinic

PRN employees are called whenever there is a need for staff coverage. PRNs have flexibility to accept or decline shifts based on their needs.

This position will perform medical assistant duties, including, but not limited to, performing tests such as drug & alcohol, pulmonary function, hearing and respirator fit. Must be able to perform blood draws. Position may cover for after-hours on-call for D&A testing.

The successful candidate will have good interpersonal and patient skills, work well with a team and independently, be detailed oriented, and be punctual and reliable. Experience is highly preferred.

Generous compensation and 401k plan.

Must be able to perform blood draws, vitals, EKGs, hearing, respirator fit tests, and Pulmonary Function test, D&A collection.

Part time

\$14/hr and up DOE
